Office of General Counsel  
Federal Election Commission  
999 E St., N.W.  
Washington, D.C. 20463

MUR # 5590

To Whom It May Concern:

This letter serves as notification that the Heather Wilson for Congress Committee illegally accepted a prohibited in-kind corporate contribution from CSI Aviation Services, Inc. and did not perform due diligence in ascertaining the legality of said contribution.

1. On October 18, 2004, Americans for Medical Marijuana (AMM) received an e-mail from "news@lists.gopnm.org" announcing an event, hosted and organized by the Heather Wilson for Congress Committee (See attachment 1). The e-mail contained three (3) attached Microsoft Word documents: "Miller Event Flyer.doc," "Miller SBP Press Release.doc" and "Congressman Miller Bi#655B1.doc."
2. The "Summary" portions of the "Properties" sections of each respective document list the author as "LOAN2" and list the company to which the software is registered as "CSI Aviation Services, Inc." (See attachment 2). The "Statistics" portion of the "Properties" section lists "Clint Chandler" as the author.
3. Mr. Chandler is identified in the "Custom" portion of the "Properties" section of the documents as affiliated with "HWFC" (Heather Wilson For Congress) (See attachment 3).
4. AMM has not identified any disbursements from the Heather Wilson for Congress Committee for the purpose of registering the software.
5. This amounts to a prohibited in-kind contribution under 11 CFR 114.2(a) and (b).
6. Further, the Heather Wilson for Congress Committee violated 11 CFR 103.3(a) and (b) in not following the procedures for handling a contribution of questionable legality.

I would appreciate your urgent attention to this matter. Please do not hesitate to contact me for further information related to this matter.

Sincerely,

*A.R. Houston*

A message from Charles Elliott, the Wilson campaign's Assistant Field Director for the Veterans for Heather coalition:

An event with **Congressman Jeff Miller** has been confirmed for this coming **Friday, October 22, 2pm at Dickey's Smokehouse**. Congressman Miller and Heather Wilson are inviting everyone to a barbecue lunch! Our very own Carolyn Epling will also be speaking. We need everyone's help to spread the word on this. This is a wonderful opportunity to meet the man who wrote the bill that eliminated the Widows Tax. He's also incredibly nice, as you would imagine.

**We need at least 50-100 people** to be there so please, please, please forward this information on to every list, friend and associate that you've got who would be interested in coming along. If Congressman Miller shows up and there are only 20 people there it's going to be very embarrassing. Heather is counting on you all to help with turn out to make this event a success (plus it's a free lunch with great food. I just ate there!)

I have attached:

1. A flyer with all the information about the event

25044124559

2. A copy of Mr. Miller's press release on the elimination of the Widow's Tax (SBP).
3. Mr. Miller's biography.

If you've got lists of people who you need help calling we have volunteers who can help make those phone calls. Either e-mail me the lists or just drop by.

Also, if each of you could let me know if you plan to attend we would appreciate it. I would really like to have a good idea of numbers before Friday so I'm not pulling my hair out on Thursday night worried about attendance! Let's also see if we can get some folks there who wouldn't usually attend an event like this.

Finally, I will forward everyone the information on the Duke Cunningham event, which will be this coming Monday. You'll get that email by tomorrow at the latest. It turns out that Sam Johnson won't be able to make it, but I can assure you that Duke Cunningham is more than capable of keeping everyone entertained for lunch! It's going to be at Garduno's-on-the-Green in Balloon Fiesta Park. I'll have a flyer for that either later today or tomorrow.

If anybody has any questions or needs help please contact me at: 505-323-9017 and my cell phone number is

p.s. if anybody would like me to fax this information to anybody give me the fax number and I will happily do that. See you all on Friday!
